About R3

R3 is the thriving, inclusive organisation at the heart of the UK's insolvency and restructuring profession.

With over 3,000 members, we are the association which embraces the entire community of professionals within the UK restructuring and insolvency world, whatever the size of their practice, their experience or their specialism.

- R3 is a home for our community of members throughout their careers. You can find details of your 10 local R3 network and events across the UK [here](#).
- We give our members a united voice on the issues and legislation which affect them and the hundreds of thousands of businesses and individuals with whom they work. You can see details of our government and media work [here](#).
- R3 brings the profession together to collaborate and share expertise. You can see details of our research [here](#), our events [here](#), and how to get involved in R3's committees [here](#).
- R3 supports career-long learning and helps raise standards across the profession. You can see details of R3's courses [here](#), and you can find our technical library [here](#).
- R3 plays a leading role in ensuring the UK remains a global centre for resolving financial distress, promoting economic regeneration, and maintaining integrity in our framework.
